WE ARE WITNESSES: Acts, Part Four

May 12 & 15, 2022

1. Be honest, when was the last time you grumbled and what was it about? Why is it easy to grumble and why is it easy to tell ourselves that it's no big deal?
2. Read Jude 14-16.
How does God feel about grumblers?

How does grumbling effect our commitment to God?
3. Read Acts 6:1-4.
How was grumbling affecting the early church and what did the leaders do about it?
4. The word *consistent* isn't in Scripture, but the word *steadfast* is a common word in the Old Testament. The New Testament has references such as 1 Corinthians 15:1-2 and Hebrews 4:14-16.
What are the action words that believers are meant to emulate and how do the verses in 1 Corinthians demonstrate consistent commitment?

What is the promise in Hebrews for those who have consistent commitment?
5. Read Ephesians 1:15-21.
Name some of the things that the Holy Spirit has done, according to this verse, and some of the things he is continuing to do in the lives of Christians.
6. Read Luke 9:57-62.
Are these verses telling us we can't own homes, bury parents or say goodbye to family members if we're going on a mission

trip? If not, what is the point?

7. Read Mark 10:17-27.
This story is in Matthew 19, Mark 10 and Luke 18, so it was obviously an important one; what is the application of it to our lives as Americans in the 21st Century?
