

DISCUSSION GUIDE

WE ARE WITNESSES: Acts, Part Six

May 26 & 29, 2022

1. How do you tend to face stressful situations in your life? Do you rely on yourself, seek advice from others, or go to the Lord in prayer first?
2. Read Acts 12:1-18.
God allowed James to die, yet he sent an angel to rescue Peter. What may be some reasons one was killed and the other rescued?

How did the New Testament believers face persecution according to Acts 12:5?

How often do you earnestly pray for others?
3. James 5:16 says the prayer of a righteous man is powerful and effective. According to the first part of this verse how can we, sinners, saved by grace, be righteous?
4. Acts 1:14 says they joined together constantly in prayer. How often do you join with other believers in prayer? Are you making yourself available to the Holy Spirit through a commitment to God's will and through prayer?
5. Read Matthew 11:17.
Jesus makes it clear that God's house is to be a house of prayer. In what ways can today's church, if used by worldly minded people, be likened to "a den of robbers" if left unchecked?

6. Read Acts 4:23-31. How can we be inspired to speak God's word with great boldness? Have you asked the Lord to perform signs and wonders in the name of Jesus for his names' sake?

Who is the Lord asking you to commit to pray for today?
