

# WAYS TO INVITE!

Below are some great ways to invite your neighbors, friends, coworkers, and others to a Christmas Eve service this year.

## GET OUTSIDE

- Draw fun, colorful chalk art invitations on your sidewalk. Be creative!
- Take a stroll around your neighborhood, inviting those you meet along the way to a Christmas Eve service.
- As you rake leaves and do other winter yard prep work, take a break to engage your neighbors as they walk by, inviting them to a Christmas Eve service!
- Take a welcome gift—including a Christmas Eve service invite!—to your new neighbors.

## AS YOU GO

- When grabbing lunch at a drive-thru restaurant, hand the person taking your order a Christmas Eve service invitation.
- Place your Bible or another Christian book in your work space. When someone comments about it, take the opportunity to share about your relationship with God and invite them to a Christmas Eve service.
