Pursuit, Genesis 2:24-25

January 14, 2024

1. After last week's sermon and discussion, did you do anything differently during the last week to prioritize your spouse?

2. Think about a recent experience when you pursued something; a goal, a job, a relationship, a hobby. What did you do (mentally, emotionally or physically) in your pursuit of it?

Read I Corinthians 7: 5, Song of Solomon 2:16-3:4

3. How or why is pursuing our spouse a Godly behavior?

Read Malachi 2:13--15

4. What happens when we quit pursuing our spouse?
Why does God care?

Read James 1: 2-8,12

5. Does persevering in marriage seem romantic, acceptable or even worthwhile in today's culture? Can you think of a time in your life (and share with the group) when you persevered with your spouse (or a relative or friend) through a tough time and came out stronger and more united because of it?

How does that bring glory to God?
