Partnership, Genesis 2:24-25

1. Read 1 John 3:16. Since most of us won't be called to lay down our lives or die for our spouse, what does this verse look like in our everyday, ordinary lives?
2. Why is the big, grandiose gesture easier than the mundane daily service and small sacrifices for someone else?
3. Read 1 Corinthians 12:12-31. These verses specifically talk about the church, but since God calls a husband and wife to become one flesh, are there any lessons about differences within a marriage in these verses?
4. What are some ways your spouse is not like you, and why are you grateful they are not just like you in that way?
5. Read Ephesians 4:30-32. How does bitterness cloud a marriage or a friendship? How do kindness and compassion clear the air in a relationship?
6. Read 1 Corinthians 13:4-7. What are some things that love doesn't always do? What are the things that love always does?
