### HE'S COMING BACK: What are the Signs?

January 22, 2023

1. What kinds of signs in our modern world do you see every day? What are they telling you, and how did you learn what the signs mean?
2. Read Matthew 24:3. In the world of advertising, a good ad, or a good sign, is supposed to issue a call to action, similar to the action points in the sermon this week. What's more important, the sign itself or the call to action implied by the sign?

Are Christians today more focused on deciphering the signs or taking actions that Jesus clearly calls them to do?

3. Read 2 Corinthians 11:4, 13-15. Why are Christians deceived by those who claim to have a special insight, or a gospel that's different than the one Jesus died on the cross to establish? How can we keep ourselves from being deceived by false teachers and prophets? (Read 2 Corinthians 13:5)
4. Read Philippians 4:4-7. List some things going on in the world or in your personal life that are alarming. How can the verse in Philippians calm your anxiety?
5. Read Ephesians 6:10-18. Who or what are Christians to take a stand against? How does putting on the Armor of God help Christians endure and prevail in the fight against the spiritual forces of evil in the heavenly realms?
6. Read Matthew 25:1-13. How do we make sure our lamps are still burning when Jesus comes to call us home?
