Jesus is Coming Back. Live Like It.

1 Thessalonians 4:13-5:11

Discussion Questions:

1. Read 1 Thessalonians 4:13-18, John 11:17-44, Romans 12:15. How does the resurrection of Jesus change the way we mourn when those we love die?
2. Read 1 Thessalonians 5:1-8, Mark 13:32. Even though the Bible is pretty clear that no one knows when Jesus will appear again, people throughout history have claimed to know the date. Why do you think we humans are so willing to believe those who claim to know the date for Jesus's return? Instead of trying to figure out when Jesus will return, what should we be focusing on?
3. Read 1 Thessalonians 5:9-11. What kind of appointments do you make that you don't look forward to? What kind of appointments do you make that fill you with anticipation and delight? What kind of appointment has God already made for us?
4. Read 1 Thessalonians 5:12-13. What can you do this week to acknowledge someone in the church who works hard for you?
5. Read 1 Thessalonians 5:14-15. How does Paul's instruction to warn the idle and disruptive fit with his instruction to mind our own business in Chapter 4?
6. Read 1 Thessalonians 5:16-28, Philippians 4:4-8. What is the will of God for us in Christ Jesus? Why do we want to make it more complicated and mysterious than what it says in God's word?
