EVERLASTING: Live Prayerfully

June 11, 2023

Read Psalm 90:1-10

1. Who is the oldest person you've met, and what did you learn from them?
2. So far, how has this sermon series impacted you?
3. This Psalm was written by Moses as a prayer in the wilderness. What picture is drawn of God in Psalm 90?
4. The last breath of life will be experienced by everyone. Christians can face it with confidence. Unbelievers can face it with repentance, or sorrow and anger. In what ways can the way a person handles death speak to how they handled life?
5. Read James 4:13-15. The uncertainty of tomorrow is something we all face. In what ways have you seen people procrastinate spiritually because they believe there will always be tomorrow?
6. Read 2 Peter 3:8. God is above all time. Humanity is confined by time. If time and mortality were not an issue, how would you spend your days? Would it be any different than what you are doing now?
7. In the message we learned "Life is short, difficult, and precious." Based on these principles, how are you making the most of your time and life God has gifted you?

What do you need to change?
