

**JESUS TURNS TABLES  
TO REWRITE THE HEADLINE OF OUR LIFE**

September 10, 2023

Luke 7:36-50

Some people only see a person's past reputation... but Jesus sees the present transformation.

She was so focused on honoring Jesus she was unconstrained by the opinions of others.

Truth expressed in grace bursts the limitations of human probability.

Jesus re-wrote the headline of her life, which allowed her to live out a new narrative... a forgiven story.
