December 3, 2023

1. Read John 6:1-6. Why did Jesus bother asking the disciples how they'd feed the people if he already knew what he would do?  
Was he playing mind games?
2. Read 2 Corinthians 1:8-9. Can you think of a time when you were under tremendous pressure, felt like you could not endure, and despaired of life?  
How did God get you through it?  
How does that experience affect your faith?
3. Read John 6:7-13. What was the difference between Andrew's response to Jesus's question and Philip's response?  
Are you more likely to respond to assistance requests like Andrew or Philip?
4. Read Matthew 25:14-30. How were the first two servants like Andrew?  
How did the third servant's mindset doom him from the beginning (refer to verses 24-25)?  
How does your perception of God affect the fruit produced by your life?
5. Read John 6:35-40. What type of hunger and thirst does Jesus quench?  
What else does Jesus promise in verses 37-40?
6. Read Hebrews 12:18-24. How do these verses give you confidence when facing difficult situations and impossible tasks?
