

RESOURCES | GOD'S SOLUTION TO RACISM

The following resources are opportunities to learn and think on issues related to justice, racism, and reconciliation. They are offered as an invitation to learn and listen; to be humble and vulnerable. This list is by no means exhaustive or complete, but it is relevant to current conversations that are not easy to have. May we choose to be open to God and one another, and invite the transforming work of the Holy Spirit in whatever way is needed in our own hearts and minds. We will be adding to this list from week to week on our website. Please contact the church if there are other resources which have been helpful to you.
